

# Progress Is Here -- Stay Out Of It's Way Or Push!

Reliable sources tell us that B. Sugar's mill at Canal Point will grind 750,000 tons of cane, Florida Sugar 1,600 to 2,000 tons daily, or 540,000 to 450,000 tons annually; Osceola 240,000 tons, and the Sevier Mill 225,000 tons. Okechobee has increased its capacity to 3,600 tons for an approximately 1,000 ton unit, or a 150,000 ton annual increase.

The Glades Cooperative, which is now in the final stages of a definite date of commencement of grinding, will have a reported 4,500-ton daily capacity, or 675,000 tons annually. Together, we have 1,905,000 tons with mills actually under way, with an additional 675,000 tons, most likely, to make a grand total of 2,580,000 tons annually.

With an estimated value of \$32,400,000 for mill facilities, and an average requirement of 70,000-plus acres at \$200-per-acre value, totalling \$14,000,000, and a value of \$2,580,000 for planting the first year crop, we have an estimated total of \$48,900,000 in capital investment.

Mr. Vaughn of U. S. Sugar is the authority for the statement that each ton of cane will account for \$3.50 in salaries and wages. We have a total addition in annual payroll of \$10,000,000-plus in the popular modern-day method for industries already begun.

If we are announced anywhere that there was a possibility of securing any industry bringing 60 millions in capital investment and an annual payroll of ten millions to Florida, just how busy do you think Governor Bryant and his Cabinet, the Development Commission, County Boards, City Fathers, private citizens and Committees-of-100, would be, phoning, telegraphing, and "hot" for that particular industry in Florida?

Just how much ballyhoo and enrichment have you and I given this windfall? Have any groups organized and gone out looking for and bringing in this industry in the popular modern-day method?

Not many! Indeed, the Glades inducements for sugar production, Castro created conditions making in the Glades most desirable; far-sighted sugar producers and local farmers have used their own resources to erect the machinery necessary to bring about the 775,000-ton quota Mainland cane producing area enjoy at present.

What are you doing to help it? What is your neighbor doing to help? What is the Glades doing to help? Are you preparing to enjoy the increased business, which you have "brought" to the cane-candle-stick-maker?

## Compliments Of Commission Given To Manager Talmadge

"City Manager Talmadge, has in the opinion of this Commission performed his duties well, has been progressive and that under his supervision, a long range planning program of improvements to the city has been initiated; and further that expeditious handling of all matters assigned to him by this Commission were accomplished under his guidance and supervision." Such is the studied feeling of Belle Glade's Commission concerning former City Manager C. B. Talmadge, who has resigned and has accepted as of April 3rd a similar position in College Park, Md.

## 156 Cattle Per Hour Sold At Glades Sale

With a total of 1,099 cattle sold for a total of \$103,051.58, the Glades Livestock Market had a busy day Monday for a while. Cattle were run through the sale at the rate of 156 head per hour.

## Whitlock Out, Newman Fired Too!

Ray Whitlock and Bobby Newman, as Deputy in Charge and Deputy, respectively, are relieved of duties, as of April 4th, by Sheriff Kellenberger.

The Sheriff tells the HERALD "They have not performed their duties as I expected them to do - wanted them to do."

Apparently in defense of his action the Sheriff said "All officers are satisfied with the changes that have been made." The Sheriff was particularly that the last statement be made.

Gordon, former head of the Board of Control for 1957-1958, is satisfied with the changes that have been made. The Board of Control for 1957-1958, is satisfied with the changes that have been made.

## Brahman And Crosses 64.1% Of S. Fla. Sales

In a six months spot check of South Florida Markets it was found by the State Marketing Bureau that Brahman accounted for 32.2 percent and Crossbred 29.9 percent of the total sales.

Dairy cows accounted for 12.8 percent, Angus 8.2 percent, Hereford 6.8 percent, Shorthorn 1.7 percent, Crossbred English 2.2 percent and other beef 1.1 percent.

## City Pension Plan For Employees Is Being Studied

"If a request is sent to the State Treasurer's Office Mr. Harry G. Boggs, Director, Police Officers Retirement Plan, will be available to come to Belle Glade to assist in the formation of a pension plan" the City Commission was told by City Clerk, Mr. Boggs.

Mr. Boggs is an authority on pensions, especially on police and firemen, and was one of the featured speakers at the dinner attended by Mayor Jones and City Finance Officer Frank Anderson.

Belle Glade's City employees are being discussing some pension plan along with the Commission for some time, and a definite suggestion plan seems to be in the near offering.

## \$12,000,000 Sugar Mill Groundbreaking Ceremony At Bryant, Sat. 3 P.M. Marks Economic History

A silver shovel, especially made, will be given to the U. S. Sugar Corporation following the first dirt in the groundbreaking ceremony at Bryant Saturday afternoon at 3 p.m. of the \$12,000,000 sugar mill.

Franklin Farrell III, president of Farrell-Birmingham Co., of Anniston, Conn., will direct the groundbreaking ceremony at Mr. C. B. Mott, a large stockholder of U. S. Sugar, if his 84-years-of-age will allow him to leave his home in Flint, Mich., for the ceremony.

## Lake Area Group Formed To Seek More Visitors

Resort, fishing camp, marina, motel, boat and motor sales outlet and restaurant owners and managers around the shore and along the tributaries of Lake Okechobee have formed a mutual interest group known as Lake Okechobee Public Service Bureau.

In taking that step, resort investors have long felt the need for help in the preservation of the area as one of the greatest fishing and boating frontiers left in America.

Principal purposes of the group are to find ways and means to attract more visitors; expand the use of the acreable waterways, and to keep the area attractive to local as well as visiting users of its facilities.

## Brownie Troop 41 Sells 444 Boxes Of Cookies!

PARTY AND GIFTS--These Brownies went all out for the Annual Girls Scout Cookie Sale and were proud of selling 38 cases and so was their leader, Mrs. Red Jones. All the girls were awarded with gifts and a party. Members are left to right, standing, Carol Kins, Robin Gawn, Carol Jean Priest, Linda Carlson, Paula Bearden, Darlene Fussell, Donna Kay Connell, Seated Linda Cowart, Rebecca Bryson, Karen Matthews, Marian Morris and Patty Kinlaw. (Melody Jones and Deborah Frick not pictured.)

Fourteen enthusiastic Brownies, third, fourth, and fifth graders, sold 38 cases of Girl Scout cookies, worth, fourth, 34. Other Brownies selling cookies were also awarded. They all did so well. Linda Carlson, a Brownie, and a deal of a brownie saluting the flag all carried out the same.

Mrs. W. E. Carson, assisting Mrs. Jones in charge of the Easter Egg hunt which was enjoyed by all. Darlene Fussell had a wonderful time and about the \$125,000 venture into sugar cane grinding and raw sugar manufacture in this area.

The table with a white cloth, decorated with a beautiful big white sheet cake, decorated with red roses.

Cake, gratin, nuts, Easter eggs, and potato salad were enjoyed by the girls. All the cookies they helped in distributing their part towards the Council and the local Scouts as well.

FULL CYCLE  
Massive federal programs of taxation, "benefits" and controls to protect all of the people against all the rigors of living have little respect for minority of individual rights.  
Our forefathers fled from Europe seeking freedom from oppression. They asked nothing but life, liberty and pursuit of happiness.  
It is alarming to read that some people are now leaving the United States because they feel they can no longer pursue these goals here. According to an Associated Press report seven Amish families near Canton, Ohio have purchased farms and are preparing to move to Canada. In the words of AP the Amish are "a quaint religious people who live the simple life without many of the conveniences modern Americans rely on..." They are leaving this country because they are opposed to compulsory social security, and other strictures of our modern welfare state society.  
At the risk of being anti-social one cannot help wondering what the pilgrims would think of the present state of the Union.  
President Don G. Mitchell of General Telephone and Electronics Corporation, says: "If management fails to apportion the benefits of greater productivity on a fair sharing basis among share owners, employees and customers, if labor takes all of the productivity increases in the form of higher wages, if government keeps increasing the tax load without making sure that it has first eliminated waste and extravagance of its present tax revenues — there won't be anything left for anybody. There isn't any bottomless bucket of gold in this economy or any other economy..."

**Paul Rogers Joins Auto Safety Research**  
Congressman Paul G. Rogers has called for a full investigation by his Health and Safety subcommittee into the apparent lack of adequate research being done by the government in the field of highway safety.  
At hearings before the subcommittee on the House Interstate and Foreign Commerce Committee, Congressman Rogers requested representatives of the Commerce Department and the Department of Health, Education and Welfare to outline their activities in auto safety research and has discovered that little work has been done to date.  
In calling for a full look at the government's role in auto safety, Congressman Rogers stated that "In the United States over 90,000 deaths are caused each year by accidents of various kinds. Of this number, over 30,000 or 40 percent are deaths resulting from auto accidents. Testimony before our subcommittee indicates that auto accidents are the greatest killers in the age group from 1 to 35 years, taking the lives of the young and young people of the country faster than any other accidental method or disease. The government has engaged in health research to attack disease for some time, and we should continue to do so. But it is time that we also work toward eliminating death on our highways."

**Uncle Dan From Democrat River**  
Dear Mister Editor:  
Spring ain't arrived real good afore we got troubles. The fellers at the country store Saturday night was agreed that April is gitting to be the most aggravating month in the year.  
First off, Ed Doolittle warned everybody to be on the look-out for the annual Spring cleaning. Ed says that in one day a feller's old lady can clean up around the place in such a manner as to set the household back a whole year. Some of the fellers was in favor of a law making Spring cleaning illegal, unlawful and a public felony.  
And Clef Webster reported he'd saw in the papers where one school has already named their Commencement speaker. This was received as mighty bad news on account of it has took most of us all Summer and Winter to get over some of the Commencement speeches we read in the papers last spring. Clem claims it'd be a heap better fer the graduates if they'd get turned out a couple hours earlier so's they could get a running start in life. They ain't got a second to lose in adjusting themselves to a country where a plunger's helper makes more money than the school principal, where prices is so high they'll probably have to wear their caps and gowns to work, and when the only blessing of finishing one war is to get ready fer the next one.  
And when the Government set April aside fer the Revenue folks it just about put the stop-

Layman was a graduate of Cooby High School, Cooby, Texas and before entering the Army was employed as assignment man for Southern Bell Telephone and Telegraph Co.

**Local Youth Serving Six Months In Army**

Recruit Danny H. Stanley, son of Mr. and Mrs. Herman Stanley, 462 N. W. 14th St., Belle Glade, Fla., has been assigned to Company C, 10th Battalion, 5th Training Regiment at Fort Jackson, S. C., for eight weeks of Basic Combat Training. This is his first phase of six months active duty training with the U. S. Army and a part of the obligation he incurred upon enlisting in the National Guard. His unit is 131st Quartermaster Co., Belle Glade, Fla.

that Jefferson done a heap of fine things in his life, but Bug Hookum was lamenting about ole Tom inventing the swivel chair. Bug allowed as how inventing that contraption fer them bureaucrats in Washington just about offset all the good he done in life.  
Taking everything in consideration, threats of Spring cleaning and Commencement speeches, income tax and swivel chairs, it was voted by all that April ain't one of our best months. Ed Doolittle went so far as to say we could run the country pritty good with just eleven months and give April to Khrushchev.  
Yours truly,  
Uncle Dan

## TODAY'S meditation

These twelve Jesus sent out, charging them, "Go... And preach as you go." (Matthew 10:5, 7, RSV.)

Jesus did not call His disciples to become a group isolated from others - just the opposite. He said to His Father: "I do not pray that thou shouldst take them out of the world... I have sent them into the world." His command to the disciples was, "Go into all the world and preach the gospel to the whole creation."

The task of present-day Christians is the same as it was for Jesus' disciples living two thousand years ago. Our world is full of hate and strife, but we must not withdraw from the world, for God has put us here, and Christ has called us to be His messengers on all sides: "Preach as you go."

Indeed, I am preaching while I go. I am observed by my fellows and my behavior is noticed. Thus I deliver a sermon. Will this sermon be such as to lead others to find Christ and His peace? It is no use that I go anywhere to preach unless I preach as I go.

**PRAYER:** Dear Lord, as I go forward to do my daily work, let the sermon that I shall be preaching through my way of living reflect Thy love and help others to find Thee and Thy peace. For Jesus' sake. Amen.

### THOUGHT FOR THE DAY

It is of no use to go anywhere to witness unless I witness as I go.

## Molding the Character of a New Generation

Church is not a place. It is a personal experience with God. A rediscovery of human worth. The tapping of a limitless reservoir of inner power. An awareness of our blessings and the needs of others. Workshop knots together the loose ends of individual lives, bringing love, purpose and harmony to families and communities. Religious freedom is an inherent right of every American. Today's business management must continue to uphold this right and give its support to individuals and groups who seek to exercise it.

## MORE PEOPLE ARE BUYING CHEVROLETS THAN ANY OTHER MAKE!

When one car outsells all the rest the way this new Chevrolet is doing—there's got to be a reason. And we can think of some pretty good ones. The clean, sleek lines of the new Body by Fisher, for example. The eager brand of "git" that's under the hood. The easy way it handles. Plus the added advantage of extra-cost options like triple-turbine Turboguide.

But to sample all these reasons together, you have to get a Chevrolet out on the road. And there's where that Jet-smooth ride takes over with its own gentle kind of persuasion. If you weren't absolutely sure, you'd imagine you were riding in a far cooler car.

No wonder people are buying more Chevrolets than say other make! Chevrolets have more of what it takes to please people!

Official R. L. Polk & Co. registration figures show full-sized Chevrolets sold in the month of March made by a record-breaking margin in 1950—and Chevrolets continue to set the pace for the industry this year.

## City Clerks And Finance Officers Study Improved Work Methods

City Clerk, Vera Jones reports to the City Commission, "our time was scheduled to the minute," and that "of the 31 City Clerks registered, 16 were women" in a total registration of 106, on a Short Course at the University of Florida, attended by herself and Finance Officer Frank Anderson.

Mrs. Jones, further remarks, "the City of Belle Glade procedures of work is comparable to any city in Florida—when supposedly new methods were advocated in my discussion group, I was happy to report we were following such procedure. Much of this is due to the fact that Mr. Anderson has taken on an advantage of previous short courses he has attended."

Following the completion of the course the usual business meeting of the Association was held and officers and directors elected and later a banquet.

Mrs. Jones feels that "I have gained knowledge which will benefit the City and me."

## Cancer Crusade Sunday, April 9th

The Cancer Crusade locally will get underway with a Kickoff Coffee at the Dixiana this morning at 10:30 with Mr. Fred Tevrough, County Crusade Chairman, Mrs. Jane Cook, president of Palm Beach County Society and Mrs. Barbara Goodwin, executive secretary of Palm Beach County here to inform the volunteer workers on the progress made to date in Cancer research and work anticipated for the coming year.

Local chairman, Willis Warren, announces that Sunday, April 9, has been declared as Cancer Crusade Sunday through out Palm Beach County, when a concentrated solicitation of every home in the area will be made.

"The results of last year's campaign for this area were very disappointing—a record we certainly were not proud of," Warren stated. "This year we have a well organized group of workers and expect to reach our set goal of \$1200. We urge each of you to have your donation ready when the workers call on you," he added.

Mrs. Corinne Tittsworth and Mrs. Molly Pearlman are chairman and co-chairman respectively to solicit the business houses and are staging their campaign as close around this weekend as possible.

Results in research against cancer during the past years have brought the most promising results with a near cure for leukemia. Funds collected will further the intensive study toward detecting, controlling and eliminating this dread disease.

## Compliments Of

(Continued from Page One)  
In communities where growth is measured in high percentages annually new faces, new thoughts and unexperienced folks become interested in municipal activities, thereby increasing the improbability of long tenure of office for any public servant which is subject to the whims of the "deer peep."

Mr. Talmadge lasted approximately two and a half years with a record that brought him praise of his employers, and an absence of public threat from indignant taxpayers - and this is some record for a City Manager in a Florida community of the size of Belle Glade.

The Talmadges will carry with them the best wishes of civic organizations, the church and social life of this community.

## Kickoff Tea Sunday

## Come And Learn About The Girl Scouts

In participation of the Annual Girl Scout Drive everyone interested in Girl Scouting in Belle Glade is cordially invited to attend the official community kickoff at a tea Sunday, April 9 from 9 to 5 p. m. at the First Baptist Recreation Hall.

At this time the professional Girl Scout workers of the Palm Glades Girl Scout Council, Miss Jane Towater and Mrs. Mina Holden, are expected to be present to assist local leaders and scouts in answering any and all questions pertinent to scouting organization. The cookie sale proceeds are for capital outlay and development and maintenance of camp sites.

Thank you for your understanding and support given the year round I know we can count on you to help us in providing the funds our community needs for our Girl Scouts. When you called upon to make your donation to our Girl Scout Drive, I am sure you will welcome this opportunity to join our community in supporting Girl Scouting.

Robert J. Allen, member of the board of directors of the Glades Girl Scout Council for the past five years, and now council finance and public relations committee member, says "the quotas for Belle Glade have not been met for the past four years, and when the budget is not sufficient to meet council plans of work and service, cuts have to be made in the areas where quotas have not been met. Our local leaders deserve all the support we can give them. Let's pay our share so that they can get all the help they need to give the girls in Belle Glade a first class scout program."

## K. B. Eldon Rites Today At 2 P. M.

Funeral services for Kirkland Bernard Eldon, 72, of Lake Harbor, who died Tuesday morning of a sudden illness, will be conducted at 2 p. m. today at the Community Methodist Church in Lake Harbor, with Dr. Nicola De Sica as pastor officiating.

Burial will be at Ridgeland Cemetery, Clewiston. Pallbearers will be Roy Layfield, L. C. Nipper, Jack Newman, Marvin Lee, Rollin Plank and C. A. Thomas.

Mr. Eldon was a retired Florida East Coast Railway employee and had lived in Lake Harbor for the past 30 years. He was a member of Masonic Lodge 273, Belle Glade and was affiliated with the Community Methodist Church, Lake Harbor.

Survivors include his widow, Mrs. Alma Mae Eldon, and son, Bobby both of Lake Harbor; two daughters, Mrs. Dorothy Stacy Bryant, and Mrs. Gladys Gerry Lake; one sister, Mrs. Jessie Pritchard, Bahama Islands; two brothers, Walter and Thomas Eldon of Miami.

Williams-Wetherington Funeral Home was in charge of arrangements.

## Last Rites Conducted For Thomas Horobin

Thomas Horobin, 83, widely known pioneer developer in the Miami area, died at his home in Coral Gables Tuesday P. M., March 28 after a long illness. Funeral services were conducted Saturday at 10 a. m. at Pilbert's Funeral Home in Coral Gables. Mrs. Ralph Freeman, of this city, accompanied her father's remains, by jet Saturday night to Cleveland, Ohio, where grave side rites were to be held Monday or Tuesday.

Mr. Horobin a native of Ohio came to Miami in 1925 where he developed Blumery, Park View Island and other islands in the bay. Before coming to Miami he was in the construction business and was a boyhood friend of Orville Wright and his brother in the early development of the air plane back in 1890.

Survivors are his widow, Mrs. Horobin, Coral Gables; two daughters, Mrs. Ralph Freeman, Belle Glade and Mrs. Mary Conn, Cleveland, Ohio. Three grandchildren, including Jay Freeman, Belle Glade and four great grandchildren.

## Non-Voting Cause For Purge

If you haven't voted during the past two years, you will receive a legal notice according to Florida laws, along with an addressed and stamped postcard which must be signed by you as an elector and returned to the office of the County Registrar within thirty days or ELSE.

The ELSE being the removal of your name from the list of eligible voters.

If the notice is returned marked "unclaimed," address unknown, any notices remaining unreturned, will be cause for your name withdrawn.

At an appropriate time the list of those names removed will be posted in the Courthouse.

If your name has been removed it may be reinstated by notifying the Registrar that you desire to remain as a registered voter.

These points are made by the Registrar in a release this week. Among the registration places open is listed on the release, Glades County Office Bldg., Pahokee.

Somebody should tell the Republican Registrar that the "County Office Building" is located just north of Belle Glade, where mail may be sent. He at least is our registrar, if not by OUR vote, and should acquaint himself with the geography of the County.
